THE BEST

FAMILY MEDICINE

She Has Ever Known. Words of Praise from a New York Lady for

AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent a gripe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known."

Electric Bitters. Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness yield to Electric Bitters. 50c. and \$1.00 per bottle at Murphree-Van Petten Drug Co's, Las Vegas and East Las Vegas, and at wholesale by the Browne & Manzaneros Co.

There are a great many of the unfortunate ones in this world, greater in number than those who are blessed with good digestion. I was induced to try Simmons' Liver Regulator and was cured. I now eat everything."—M. Bright, Madison Parish, La.

HEART DISEASE has its victim at a disadvantage. Always taught that heart disease is incurable, when the symptoms become well defined, the patient becomes alarmed and a nervous panic takes place. But when a sure remedy is found, there is great rejoicing and desire to "let the whole world know." Mrs. Laura Wineinger, of Selkirk, Kansas, writes: "I desire to let the whole world know what Dr. Miles' Heart Cure has done for me. For ten years I had pain in my heart, shortness of breath, palpitation, pain in my left side, oppressed feeling in my chest, weak and hungry spells, bad dreams, could not lie on either side, was numb and suffered terribly. I took Dr. Miles' Heart Cure and before I finished the second bottle I felt its good effects, I feel now that I am fully recovered, and that Dr. Miles' Heart Cure saved my life."
